## Phase 3 – Concluding the Project

- Arrange a culminating event to celebrate the work
- Review and evaluate achievements in the project
- Help children select work samples
- Plan with the children to share their work
- Prepare documentation
- Invite guests
- Plan to keep some work in school and send some home

COME IN

at the  
ROCK GARDEN

## PHASE 3

### The Bone Museum

**PHASE  
3**

**The Bone  
Museum**

## PHASE 3

### The Bone Museum

The students shared their knowledge with their parents. They answered all kinds of questions about bones. They also asked questions to the audience and they had a lot of fun when their parents were not able to answer.
